MRAC Annual Meeting Set for July 15, 2010 at the Buckhorn Opera House

With the close of fiscal year 2009-10, the Mimbres Region Arts Council will be holding its annual meeting on July 15th at 5:30 P.M. at the Buckhorn Opera House in Pinos Altos. Members and other individuals interested in the Arts Council and its mission are welcome to attend.

According to Board President Dale Marcy, “many non-profits are feeling the negative effects of the recession. The MRAC board, staff, and volunteers have been focused on revisioning the organization in many areas to succeed in the new economic reality.”

Director, Faye McCalmont added, “we have been reorganizing for greater strength and stability, it has been an extremely valuable experience for us and we look forward to sharing the outcomes at our Annual Meeting.” New board members, officers, and the new season lineup will be announced at the meeting.

The Annual Meeting will be followed at 6 P.M. by a celebration to kick off the new season. According to Board Vice President Holley Hudgins, “we want to showcase the many *doors* MRAC opens to enhance the quality of life for the communities we serve.” The festivities will be held at the Opera House with refreshments, a silent auction, give-a-ways, music, fun and much more. To top off the evening, a member’s name will be drawn to win MRAC’s 30th Anniversary Present – a beautiful Mimbres-inspired gourd pot uniquely crafted by the highly-respected artist, Pierre L. Nichols.
